

Cowtown Great American Cleanup

The City of Fort Worth has a goal of being litter-free, and it takes a really big village to make that a reality.

We hope we can count on you to participate on **March 28th** with over 6,000 other volunteers to help clean up our community. Every registered group or individual receives gloves and bags, as well as T-shirts, while supplies last. View event details at fortworthtexas.gov/CowtownCleanup.

Register with your school!

Your school has a group leader that will pick up supplies and bring them to the site the morning of the cleanup. Please let us know how many people from your family will be participating and their shirt sizes:
